About us

Sinq Lam writes a new chapter in surface storytelling, where every laminate invites touch and evokes memory—the grain of wood, the hush of stone, a bold color that glows in the light. Our design-forward collection blends resilience with grace, partnering with architects, designers, and fabricators to turn bold concepts into enduring installations. From concept to installation, we weave depth, color, and character into spaces that feel crafted, not merely built. Transparent pricing and a spirit of perpetual invention keep ideas moving across regions, while local service keeps us close to every project. Sinq Lam—where durable surfaces meet inspired design.

DIGITAL PLATFORM

A digital catalog for laminates that brings every texture and pattern to life with true-to-life color and depth. Explore everything from warm wood grains and sleek stones to bold abstracts, all with high-resolution previews and smart filters by finish (matte, gloss, suede), core, thickness, price, and installation notes. Compare samples side by side, read technical specs, and preview edge profiles to plan kitchens, baths, or workspace surfaces with confidence. Save favorites, build boards, and share ideas with clients or teammates, all while knowing these surfaces are durable, easy to maintain, and resistant to scratches, heat, and moisture.

PROPERTIES	SPECIFIED VALUES AS PER IS: 2046-1995 TYPE S, HGS	SINQLAM CONFORMS
Resistance to immersion in boiling water - Mass increase (%)	10 (Maximum)	✓
Resistance to dry heat 180° C	Not worse than 4	✓
Dimensional stability at deviated temperature - Longitudinal (%)	0.375 (Maximum)	✓
- Transverse (%)	0.60 (Maximum)	✓
Resistance to impact by small diameter ball	20 N (Minimum)	✓
Resistance to cracking	Not worse than 4	✓
Resistance to scratching	2 N (Minimum)	✓
Resistance to staining	Not worse than 5	✓
Resistance to colour change (wool standards) - In Xenon arc light	Not worse than 6	✓
- In enclosed Carbon arc light	Not worse than 5	✓
Resistance to cigarette burns	Not worse than 3	✓
Resistance to steam	Not worse than 4	✓
Appearance	Should be free from foreign particles	

FOR CRACK ARISING OUT OF GROOVE CUTTING OR L SHAPE

FOR AIR BUBBLES

PRODUCT SPECIFICATIONS

Product	: Paper based Decorative Laminate Sheets
Size	: 2440 x 1220 mm
Finish	: Matt, Gloss, SF and Exclusive Textures
Maintenance	: Clean with mild soap solutions or household detergent, abrasive cleaners should not be used, it is re commended for vertical use only. Avoid direct sunlight.
Resistance	: To surface wear, immersion in boiling water, dry heat impact by small dia. ball, cigarette burn, staining, scratches, color change in xenon light.
