At Daarvi Laminates, we take pride in offering surfaces that inspire creativity and bring lasting value to your interiors. Our latest collection features an exceptional variety of wood grain laminates, 4 fabric-inspired designs, a selection of solid colours to match the design of your furniture. Designed for both functionality and aesthetic appeal, each laminate is crafted to cater to diverse design needs and modern preferences.

To ensure flawless finishes, this range is complemented with matching edge bands, allowing for seamless application across all your projects. Whether you're creating warm, inviting living spaces or striking, contemporary commercial environments, this collection provides endless possibilities to express your vision. With a focus on durability, quality, and innovative & classic design options, these laminates are more than a design choice—they are a commitment to enhancing every detail of your space.

FEATURES & DETAILS

PRODUCT: PAPER LAMINATED DECOR SURFACES

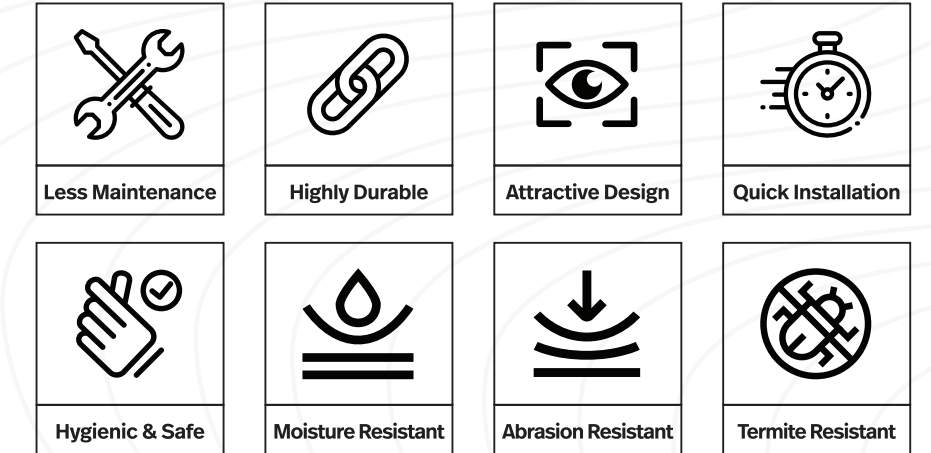

THICKNESS	:	0.8MM
SIZE	:	2440 MM x 1220 MM
GRADE	:	STANDARD

DURABILITY

Daarvi D'Edge laminates are manufactured using advanced technology, ensuring exceptional durability and longevity through rigorous R&D.

CARE

Clean Daarvi D'Edge laminates with a soft cloth and mild soap solution. Avoid using abrasive cleaners or excessive soda to maintain their quality.

LIMITED WARRANTY

Daarvi D'Edge laminates are warranted to be free from manufacturing defects. Damage caused by accidents, improper use, or alterations is excluded. Products must be inspected before installation. Liability is limited to the product's cost. For further assistance, contact customer support for terms and conditions.

REMINDER

Product samples are indicative of colour, pattern, and texture. Full sheets are recommended for selection. Custom finishes are available on request.
